

ASSOCIATION FOR JEWISH STUDIES

Founded in 1969, the Association for Jewish Studies (AJS) is a learned society and professional organization that seeks to promote, maintain and improve teaching, research and related endeavors in Jewish Studies in colleges, universities and other institutions of higher learning.

The Association holds an Annual Conference in December with sessions devoted to a wide variety of scholarly and professional matters. During each conference special interest groups, representing various disciplines within Jewish Studies, meet to discuss subjects of particular concern to the participants.

Membership in the Association, which currently stands at about 1,500, is open to individuals whose full-time vocation is teaching, research or related endeavors in academic Jewish Studies, to other individuals whose intellectual concerns are related to the purposes of the Association, and to graduate students concentrating in an area of Jewish Studies.
