The Coalition to Stop Gun Violence (CSGV) seeks to secure freedom from gun violence through research, strategic engagement and effective policy advocacy.

CSGV's organizational structure is unique among national gun violence prevention organizations. CSGV is comprised of 45 national organizations working to reduce gun violence. Our coalition members include religious organizations, child welfare advocates, public health professionals, and social justice organizations. This diversity of member organizations allows us to reach a wide variety of grassroots constituencies who share our vision of non-violence.
