

**DEMOCRATS FOR AMERICA'S FUTURE**

---

Democrats for America's Future gets everyday Democrats involved in returning the roots of the Democratic party. It is not an arm of the national party organization. That means that it does not back every Democrat.

The organization recruits grassroots Democrats across the country and provide them with up-to-date information on which Democrats are standing up for Democratic principles and need help. It pushes Democratic leaders to stand up to President Bush and his right-wing allies. The organization educates the public about the Bush Administration's right-wing record.
