

This organization has been working clandestinely for over a decade behind the Iron Curtain to bring Jewish cultural and educational programs to the Soviet Union.

Since the collapse of the USSR, the organization has continued its work in the open and its sponser base has increased.

This list has tremendous potential for organizations working with members of communities cut off from mainstream Jewish life for generations.

Donors are dedicated to the dissemination of Jewish ideas and materials to embattled communities where freedom is repressed.

Ideal for Jewish Fundraising, Judaica, publications and travel.

Sample mailing piece required for list approval.
