

U.S. FUND FOR UNICEF - DONORS

Founded in 1947, the United States Fund for UNICEF (United Nation's Children's Fund) supports UNICEF projects throughout the world to save the lives of children.

The U.S. Fund for UNICEF raises funds to provide health care, clean water, improved nutrition, and education to millions of children in 158 countries around the world.

In addition to the children's offers, the U.S. Fund for UNICEF's caring donors also support a wide range of other causes, from charitable appeals to health and disease and women's rights offers. With a donor base of over 409,000, this list is a great choice for regional mailers as well.
